

Fertile City Council Minutes August 8, 2010

The Fertile City Council held its regular meeting on Monday, August 8, 2010 at 6:30 p.m. at the Community Center. Present were: Mayor Brian Nephew and Council members Dennis Hasler, Todd Wise and Dan Gisvold.

Barry Robertson, Fair Meadow Nursing Home Administrator, made his monthly report to the City Council. Fair Meadow began and ended the month of July with 48 residents. There were 323 home delivered meals and 43 days of adult day care.

There was discussion of proposed improvements to the roadway known as “lover’s lane” that borders the eastern edge of the community. The Township would deal with the construction and maintenance of the roadway. One of the main factors involved in this consideration is the proposed construction of a new St. Joseph’s Church along the roadway and some residential construction in the area. The Township has access to funding sources the City does not have, such as gas tax.

The Council then considered Resolution #9-1-10 on VASI lights, beacon and runway repair at the airport. Council member Gisvold, seconded by Council member Hasler, moved that the resolution be passed. The motion carried.

Upon review of the last meetings minutes, Council member Wise, seconded by Council member Hasler, moved to approve them. The motion carried.

Upon review of the Treasurer’s Report and the Bills, Council member Gisvold, seconded by Council member Hasler, moved to approve them. The motion carried.

St. Joseph’s Church had applications presented for an event at which bingo will be played and beer was going to be served. Council member Gisvold, seconded by Council member Hasler moved to approve the activities. The motion carried.

After some discussion on budget proposals, it was determined that a special meeting could be held on Wednesday, September 8th at 6:30 p.m. to go over the figures.

There being no further business, the meeting was adjourned.

Brian Nephew, Mayor

John J. Frohrip, City Administrator
