

Fertile City Council Minutes
Special Meeting
September 8, 2010

The Fertile City Council held a special meeting on Wednesday, September 8 at the Community Center to discuss preliminary budget evaluations.

Present were: Mayor Brian Nephew and Council members Dan Gisvold and Dennis Hasler. Council members Todd Wise and Patricia Thorson were absent.

Discussion centered on possible adjustments for Capital Improvements, increasing that fund by \$20,000 and other adjustments that may have to be made due to possible aid cuts.

The levy was adjusted upward by \$20,000 to cover cuts in Market Value Homestead Credits and Local Government Aid for 2010 and 2011. Frohrip informed the Council there may be more cuts made by the Legislature when they go back onto session in January.

There was also discussion of pay raises and the establishment of a Health Savings Account System that would cover some of the large increase in monthly health premiums.

There being no further business, the meeting was adjourned.

Brian Nephew, Mayor

John J. Frohrip, City Administrator
